

FISCAL NOTE

SB 2979 - HB 2864

February 14, 1998

SUMMARY OF BILL: Urges and encourages the Department of Environment and Conservation to erect plaques and the Film and Tape Commission to produce a videotape in order to honor the 39 Tennessee Medal of Honor recipients. The bill also encourages the use of corporate sponsorships for the funding of such projects, as well as the construction of a physical facility to house the National Medal of Honor Museum of Military History in Chattanooga.

ESTIMATED FISCAL IMPACT:

State Expenditures - Net Impact - Not Significant - If Implemented

Assumes that the majority of the cost of such plaques, video, and construction would be borne by corporate sponsors and that few state funds would be expended if the provisions of the bill were implemented. Bill urges but does not require that this project be undertaken.
